The material contained in the Index of Marine Surveys for Assessments (IMSA) is provided voluntarily as a public service. The material is made available in good faith and is derived from sources believed to be reliable and accurate at the time it was uploaded. However, the material is provided solely on the basis that users:

- will be responsible for making their own assessment of the material contained herein;
- should verify the accuracy of all material they choose to access and use; and
- will use the material in a manner that has been authorised by the owner of the intellectual property in the material (as set out in the relevant *metadata and licensing statement* or in accordance with any other arrangement).

Changes in circumstances after material has been added to IMSA may impact on the accuracy of the material. No assurance is given as to the accuracy of any material contained in IMSA and readers should not rely on its accuracy.

Neither the State of Western Australia (state), nor any employee or agent of the state or any agency or instrumentality of the state, nor any authors or contributors to IMSA shall be responsible or liable for any loss, damage, personal injury or death howsoever caused (whether caused by any negligent or other unlawful act or omission of, by, or on the part of the state, any agency or instrumentality of the state, or any employee or agent of the state or otherwise) arising from the use of or reliance on any material, information, data or advice (including incomplete, out-of-date, wrong, inaccurate or misleading material, information, data or advice) expressed or implied in IMSA.
